TPAC Bicycle Committee - Review / Accept Minutes
Minutes from the April meeting were discussed and accepted by the committee as amended.

On-going Discussion and Action Items
Review of Priorities / Projects / Next Steps for TPAC-Bike
The Committee spent the meeting ranking the priorities. An initial ranking placed the following at the top of the list of 59 items.

1. Lane Striping
2. Paving Program
3. N-S route finalize
4. Local bike map online
5. CIP Projects
6. State/City paving coordination
7. Police/Accident Data
8. Route map of Concord
9. Hot spot "fixes"
10. Utility Work
11. Private Development
12. Bike Education in schools
13. Development Steering Comm for Greenway
14. Communicate with common groups
15. More Signed Routes
16. Coordination Between Police
17. Stakeholder's List-MRGT
18. Communication with Gen. Services
19. Appropriate Parking Devices
20. Long term Bike parking
21. Downtown Parking
22. Green Commute Week
23. Bike Safety Lessons
24. Motorist/Bike Safety
25. Rec programs geared towards kids
26. Bike/Motorist education added to local items
27. Police officer training about bikes

At the next meeting a brief description of the items will be developed to ensure that everyone has a similar understanding and expectation. We will also discuss what organization might be best suited to take the lead on the items.

New Business

Commute Green Summary

Participants in the Statewide Commute Green Challenge tallied 70,000 miles. The initial goal was 50,000. CNHRPC will be summarizing additional data in a brief report.
