Review / Accept Minutes
Minutes from the December meeting were accepted.

Schedule of Future Meetings
The next meeting is Thursday, March 21, 2013, 6:00 p.m.

Discussion and Action Items
Pedestrian master plan
No new updates.

Pedestrian counting program
Committee member were asked to put May 7-9 and September 10-12 on their calendars for days to count cyclists and pedestrians. These dates coincide with the National Bicycle and Pedestrian Documentation Project.

Reconstruction of Main Street – CIP 460
The committee had a general discussion regarding CIP 460. It was noted that there is a NH Listens session at the Grappone Center on February 4, and a City Council meeting on February 11.

Sidewalk leading to the Friendly Kitchen
Alex noted that the sidewalk along I-393 from North Main to South Commercial Street has not been plowed. Plowing is the responsibility of the state. The city has indicated that they will not plow the sidewalk without an agreement with the state. The state does not have sidewalk plows. The city has been plowing the route from Horseshoe Pond to Constitution Ave. This alternate route is significantly longer than the I-393 sidewalk and it is unlikely that people

would use that route. On a related note, CAT will be starting bus service to the Friendly Kitchen soon.

Sidewalk plowing – Note Worthy
Alex noted that General Services has plowed Loudon Road and Manchester Street in short order after a storm and that the sidewalks are in good walking condition.
