Weekly City Manager Newsletter

July 19, 2013

LOUDON ROAD WATER MAIN REPLACEMENT

The contractor will begin a Sunday through Thursday evening work schedule on July 21st. They will be saw cutting the pavement from Ellsworth Street to Allard Street and installing the new water main between Drew Street and Gate Street.

LPGA SYMETRA TOUR

Beaver Meadow Golf Course is hosting the LPGA Symetra Tour Friday through Sunday, July 19th—July 21st for the ninth straight year. Tee off begins at 8:00 AM. More than 140 professional women golfers from all over the world are in Concord to compete in the Northeast Delta Dental International, the only professional golf tournament north of Boston. These golfers will be competing for a piece of the \$100,000 purse and a chance to earn one of ten coveted spots on the LGPA Tour.

SUMMER IN THE CITY

Next week's events include a Splash Bash at Merrill Pool on Monday, July 22nd from 6:00 PM—7:30 PM for third through fifth graders; the Never's Band Concert will be held at the State House on Tuesday, July 23rd, at 7:00 PM; and *Goonies* will be Wednesday's Movie in the Park at Rollins Park, beginning at 8:45 PM.

SUMMER CAMP UPDATES

The Parks and Recreation Department hosted more than 150 children this week in their summer camp program. Some of the upcoming camps are soccer, golf, lacrosse, theatre, Lego, archery, and tennis. The camps are for children in first through twelfth grade. Visit the [Parks & Recreation](#) website for additional details and registration.

WEST STREET WARD HOUSE

The Public Properties Division of General Services had a new front door installed at the West Street Ward House. This is part of the ongoing improvements to the City's many recreational facilities.

CHILDREN'S AND ADULT PROGRAMS AT THE LIBRARY

Children can build a fairy or goblin house or listen to a story, and adults can knit and crochet or watch a movie. Visit the [Concord Public Library](#) website for more information about all their programs.
